

# Introduction to our Team and Mission

---

**PROJECT LEAD** - SYNC INC is an energy AI company that allows energy, city management, emergency preparedness and insurance professionals to run complex simulations in a no-code analytics environment. We specialize in predicting climate-related risks to critical infrastructure and excels at visualizing disruptions to the electric grid network, weeks in advance of incidents.

**COMMUNITY ENGAGEMENT PARTNER** -The NCLCVF connects and engages people to protect our natural environment and promote the wellbeing of our communities. We work to turn environmental values into North Carolina priorities, while engaging communities in the democratic process.

**CIVIC ENGAGEMENT VENDOR** - Civic360 provides comprehensive support to organizations that empower individuals and communities to become agents of change. We inspire, educate, and activate individuals and communities around issues that affect them most. We dedicate our business process, technology, innovation, civic engagement expertise and worldwide resources to helping disadvantaged communities to democratize power.

**HEALTHCARE PARTNER** - Direct Relief is a humanitarian aid organization, active in all 50 states and more than 80 countries, with a mission to improve the health and lives of people affected by poverty or emergencies – without regard to politics, religion, or ability to pay.
