Loisaida, Inc.

One Neighborhood, An Entire Community

Our roots are Puerto Rican, we are deeply committed to serving the Latinx, BIPOC and im/migrant community of NYC. As evidenced in our mission; **Loisaida, Inc.** was founded in 1978 and has since established itself as a leading community-based organization that thrives on community access, environmental justice initiatives, independent media production, education and producer of culturally sensitive programs representing the cross-section of art and technology.

Loisaida also advocates for cultural equity, which we define as the right of all people to develop their traditions. We are grounded on principles of equity, access, and inclusion to address systemic disadvantages and carry out our mission. Our Environmental Justice program; **Ecolibrium** represents grass-roots innovation at the community level.
