Jrscromer's challenge details for challenge: [Solar Prize Round 6](#)

Generated at Thu Oct 06 2022 16:41:50 GMT-0400 (Eastern Daylight Time)

Explanation

We need assistance with solar sizing software development including API development and others. We actually have a programming technical director capable of the needs, so we are really just looking for mentoring.

Key Needs

- Software Development (4 / 5): just looking for mentoring
