

**Project FemBet Goal:** Increase the number of hard tech women founders from our region who successfully raise an equity funding round.

## Phase 1

Create two -sided network

- Recruit Women Founders to Daybreak Labs Residency Program
- Recruit Advisor/Operators with Proven Track Record of Market ID or Creation AND a Network of Investors Who Fund Women

## Phase 2

Daybreak Labs Residency Program

- Forgive 1 year's user fees for founders selected for Daybreak Labs residency
- Foster Advisor/Operator relationships
