

# Sustainable Living Made Simple: Rent. Buy. Sell. Thrive.

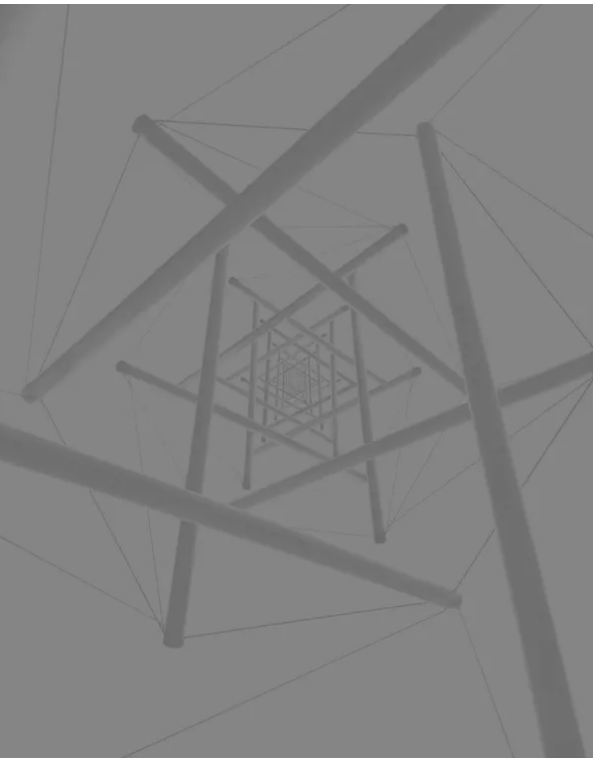

## Who We Are

Roomii connects hyper-mobile urban dwellers who have premium modern furniture to fellow urbanites who need to furnish their space for however long they need to while generating an extra monthly income through its curated online marketplace.

### Facts:

- More than 12 million tons of furniture waste is generated by Americans every year.
- More than 80% of furniture waste ends up in landfills
- Less than 0.3% of furniture waste sent to landfills is recovered for recycling.
- Furniture waste has grown 500% since 1960.
- The average person moves 12x times before settling down and buying a home.
