

# RE-X R3 Submission Summary Slide

## Goals of the Challenge:

- To expand the local reuse market into communities that do not currently have access.
- To engage a wider and more diverse population on circularity and reuse in the food and beverage sector within Philadelphia.
- To expand our container offerings to include less plastic and more double-wall stainless steel alternatives.

## How will we do this?

Create a waste  
reduction  
community  
toolkit  
for the food  
sector

Engage  
businesses  
within the Philly  
Unwrapped  
Program

Support low-  
income  
businesses with  
warewashing,  
education, and  
technical  
assistance.
