LOGIN SCREEN

- **LOGIN TO APPLICATION**

A mobile application login screen for 'mAuditor'. The background is a dark blue gradient with a faint diamond pattern. At the top, the status bar shows 'Carrier', signal strength, '12:38 PM', and battery level. The app logo, consisting of three blue slanted bars, is centered at the top with the text 'mAuditor' below it. A light blue rounded rectangle contains the login form. It has a 'Username' label above a white text input field. Below that is a 'Password' label above another white text input field, which includes a toggle icon (an eye) on the right. At the bottom right of the form is a blue 'Login' button with white text.

PERFORM AUDIT-CHECKLIST

- IT IS LIST OF QUESTIONS THAT SHOULD BE ANSWERED TO PERFORM AUDIT

The screenshot shows a mobile application interface for performing an audit. At the top, the status bar displays 'Carrier', signal strength, '12:30 PM', and battery level. The app header is 'Perform Audit' with a back arrow and a green status indicator. Below the header is a 'Check list' dropdown menu. The first question is '1)How long have you been on this vessel? How long with the Company ? Which was your last Company vessel that you served on ?'. It has four buttons: 'Yes', 'No' (highlighted in red), 'N/A', and 'Not Seen'. Below the buttons is a 'Hazard Class:' section with three radio buttons: 'A', 'B' (selected), and 'C'. To the right is a 'Findings' dropdown menu. Below that is a text input field for 'Findings'. There is a checkbox for 'PSC Detainable' which is checked, and an 'Upload Photos' button. Below the checkbox is a photo of a landscape. The second question is '2)How much is your experience at sea? How much sea-time on board present vessel?'. It has four buttons: 'Yes', 'No', 'N/A', and 'Not Seen' (highlighted in red). At the bottom are 'Save' and 'Next' buttons.

PERFORM AUDIT-ADD SIGNATURE

- **BEFORE COMPLETING THE AUDIT, AUDITOR HAS TO ADD SIGNATURES**

The screenshot shows a mobile application interface for adding a signature. At the top, there is a dark blue header bar with a back arrow, the text "Perform Job", and a green status indicator. Below the header, there is a red "Action" button. Underneath, the text "Add Signature" is displayed. A large white rectangular area contains a handwritten signature in black ink. To the right of this area are two small buttons labeled "Clear" and "Save". Below the signature area, there are two stacked buttons: "Generate Report" and "Complete".

CALENDAR SECTION

- **IN CALENDAR SECTION AUDITOR CAN SET HIS AVAILABILITY AND CAN VIEW SCHEDULED TASKS MONTH WISE, WEEK WISE AND DAY WISE**

UPDATE PROFILE

- **IN THIS SCREEN USER CAN UPDATE HIS/HER PERSONAL INFORMATION LIKE PROFILE PIC, MOBILE NUMBER ETC.**

The screenshot displays a mobile application interface for a 'Profile' page. At the top, the status bar shows 'Carrier', signal strength, '12:26 PM', and battery level. The app's header is dark blue with a back arrow and the title 'Profile'. The main content area is light gray. It features a profile picture of a black server rack with the text 'Update Pic' and a pencil icon below it. To the right of the picture, the name 'Sanjiv Behls' is displayed above a dropdown menu currently showing 'Internal Audit'. Below these elements is a white box containing four input fields for personal information: 'Email:' with 'sanjiv@gmail.com', 'First:' with 'Sanjiv', 'Last:' with 'Behls', and 'Contact No:' with '9417510271'. A pencil icon is located at the top right of this information box.

SETTINGS

- **IN THIS SCREEN USER CAN UPDATE APP SETTINGS LIKE CAMERA QUALITY, ENABLE DISABLE USER LOCATION ETC.**
