

PACEfi.com: An Online marketplace accelerating commercial project funding
"..the LendingTree.com for commercial solar loans"

Principal Team:
 Philippe Hartley, Team lead and solar finance expert
 Morgan Hartley, Developer, CTO

PACEfi

Web-based marketplace

>\$800 Billion available
 In C-PACE funding

Mid-size Commercial Solar projects

lag far behind market potential, principally because of difficulty financing (says NREL).

State Programs and Funders

in the **Commercial PACE** financing market have far more money than projects to fund. C-PACE is a key solution for mid-sector commercial financing (says NREL).
